

WOMEN IN CLOUD :

MICROSOFT CLOUD ACCELERATOR PROGRAM

E N T R E P R E N E U R G I V E S & G E T S

WHAT IS THE CLOUD ACCELERATOR?

WIC:MCAP is a 6-month program to accelerate female-led tech organizations to bring their Cloud + AI innovations to be co-market and co-sell ready with Microsoft. Entrepreneurs will learn to develop their Cloud business model, Cloud solution, source target customers, get access to subject-matter experts & executives with an ultimate goal of creating economic growth and job opportunities that are aligned with the UN goals.

Up to 25 applicants will be selected to participate in the program and will each be assigned a dedicated advisor to create access to potential customers, partners, and subject-matter experts to help them realize their business goals. The program will be launched in May 2019.
